DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 20-23 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In line 3 of claim 20 the phrase “subtracting the operand” is indefinite because subtracting must involve at least two operands i.e. from what is the operand subtracted? Similarly note claim 22. The two steps of claim 21 fail to be clearly related to the “subtracting” and “producing” steps of claim 20. The steps of claim 23 fail to be clearly related to the steps and the sequence of steps of claim 22.

Allowable Subject Matter

2. Claims 1-19 and 24-31 are allowed.
3. Claims 20-23 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

Specification

4. The lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors. Applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.
